Dear Parents/Guardians,

You are recognized as the *most important* person in your child’s educational success. Cooperation between home and school helps create a climate in which every student will be stimulated to pursue intellectual excellence throughout his/her life. With this said, it is our pleasure to invite you to attend “Bring Your Parent to School Day”. The event will be on Thursday, March 9, 2017, (snow date Friday, March 10<sup>th</sup>) at Kaynor Technical High School, from 9:00 a.m. to 10:30 a.m. Parents may park in the front or rear of the school building and enter through the marked entrance. Once inside, parents will be greeted in the Multipurpose Room.

Please consider attending this year’s event and make a difference in your child’s life. Thank you for helping to make this a successful tradition for our students, parents and teachers.

For organizational and scheduling purposes, please detach and return the attendance form below with your child by Thursday, March 2, 2017.

Note: Due to safety concerns in the technology areas please *do not* bring young children to this event.

-----  
Cut on the line above and return the attendance confirmation form to the Main Office. Thank you.
